

## America's Promise Technical Assistance Resources

The America's Promise Technical Assistance (TA) Team hosts a [Community](#), formerly known as Community of Practice, website where all current TA materials are posted. The chart below provides a list of all available TA resources that have been created. As new resources are created, they are posted on the Community. The resources are classified by the different types of TA provided.

- Blog Post – an article.
- Brief – a resource that is 5 pages or less and provides an overview of a topic.
- Toolkit – a resource that provides strategies, grantee examples, and related online resources.
- Conference Materials – agendas, highlights, presentations and handouts created for America's Promise conferences.
- Directory – a listing of programs or individuals with contact information.
- Guide – a resource that provides strategies as well as an overview, generally in the 10-page range.
- Handbook – a longer resource with detailed information on a topic.
- Infographic – a visual designed to present data through graphics.
- Tip Sheet – a list of tips or a checklist for grantees to follow.
- Webinar – a presentation created or captured for online viewing.
- Virtual Event – an interactive meeting to facilitate peer-to-peer sharing.

Click on the title of the resource to be taken to the Community page to review and download the files.
