## Scaling Career Pathways in Wisconsin

3/14/18

Moderator: Robin Fernkas, [Erin Berg](#)

Speaker(s): [Scott DuBenske](#)

In Wisconsin, a major statewide career pathway effort is underway to align the programs of the 16 colleges in the Wisconsin Technical College System (WTCS) with labor market needs. WTCS is scaling its career pathway operations as part of a statewide initiative that involves workforce and economic development, secondary schools, veteran service organizations, local workforce boards, adult literacy providers and others.
