

Executive Summary

Sustaining Grant-funded Projects for Long-term Success

5/02/2018

Moderator(s): [Cheryl Martin](#), [Erin Berg](#)

Speaker(s): [Kristen Krell](#), [Anne Willaert](#), [Julie Parks](#), [Christina Amato](#)

This webinar features four TAACCCT community college grantees who have been able to sustain innovations through a variety of creative approaches.

Three types of grant-funded innovations will be discussed:

- Strategies to accelerate credential attainment;
- Strategies to support program completion; and
- Strategies to engage employers and align programs with labor market need.

Agenda

- **Job Development Career Coaches and Partnerships at Santa Fe Community College**
- **Competency-based Education at Sinclair Community College**
- **Sustainable Apprenticeship strategies at Grand Rapids Community College**
- **Sustainable Partnership strategies at South Central College**
